

Cookie Policy

Last Updated [December 2025]

This Cookie Policy explains how we use cookies and similar tracking technologies on <https://www.added.gov.ae/> to provide you with a secure, efficient, and personalized browsing experience. Please review the following information to understand the types of cookies we use and their purposes.

WHAT ARE COOKIES?

Cookies are small text files that a website downloads onto your computer or other internet-enabled devices (such as mobile phones and tablets) when you visit a website. They are widely used to make websites work, improve efficiency, and provide information to site owners. Only first-party (set by us) are being used on the ADRA website.

HOW DO WE USE THE COOKIES?

Our website uses the following cookies:

- 1 **Functional Cookies:** Functional cookies allow our services to remember choices you make, for instance, remembering your username, preferences, and settings; remembering if you have filled in a survey or taken part in a poll or contest or otherwise reacted to something on through the services, so you are not asked to do it again. These cookies aim to provide you with a more personal experience so that you don't have to provide your preferences each time you use our services.
- 2 **Analytics/Customization Cookies:** These cookies collect information about how visitors use and interact with our services, for instance, which pages they go to most often. These cookies also enable us to personalize content and remember your preferences (e.g., your choice of language, country, or region). They help us understand usage patterns, measure performance, and improve functionality.

HOW CAN YOU MANAGE THE COOKIES?

When you visit our website for the first time, a cookie banner will appear, allowing you to accept or reject cookies. You can also manage your cookie preferences directly through your browser settings, where you may choose to block all cookies or only certain types.

Please note that disabling cookies may limit your ability to access some parts of our website or use certain features effectively. Unless your browser is set to reject cookies, our system will automatically place cookies on your device when you visit our site.

HOW TO CONTACT US?

If you want to contact us with any questions, comments, or complaints about how we collect, use, or retain cookies, please contact us at [\[privacy@ded.abudhabi.ae\]](mailto:privacy@ded.abudhabi.ae).

HOW TO TRACK CHANGES TO THE COOKIE NOTICE?

We may update this notice from time to time to reflect any changes to the type of cookies we are using. We encourage you to check this page periodically to stay informed on the changes.
